spirits of mystery amber maiden collector's edition. spirits of mystery amber maiden collector's edition free full download

So, you are a princess, or at least the heir to the kingdom. Seems that shortly after your birth, a dark sorceress took over the realm by turning your parents (and quite a few others) into amber. Now, it is your duty (and perhaps destiny) to oppose this Dark Queen, and reclaim your kingdom. HO scenes are interesting, plot fun, and minigames exciting. Purchase in the bundle.
